ABOUT LIBEREC

Liberec, the capital of the Liberec Region in northeast Czech Republic, is surrounded by the **Jizera Mountains**. It blends Gothic, Renaissance, and modernist architecture, featuring landmarks like **Liberec Town Hall** and **Ještěd Tower**. Home to the Technical University of Liberec and research institutions, the city excels in education, science, and industry. Its vibrant cultural scene includes museums, theaters, and galleries, while outdoor activities range from winter skiing to summer hiking.

“NAVIGATING NEW HORIZONS”

In a world of rapid change, we gather in Liberec to explore fresh perspectives, transcend boundaries, and **shape a brighter future**. More than a motto, “*Navigating New Horizons*” reflects our **commitment to innovation, inclusivity, and cultural vibrancy**. Liberec, with its rich heritage and dynamic spirit, sets the stage for an unforgettable experience. As we move forward, we aim to leave not just with new insights but with renewed inspiration to make a lasting impact. Let’s **embrace the unknown** and chart a bold path ahead.
