FORM EXPLANATION

Note that this second page is explanatory, and you do not need to print it, nor is it a part of the above legal form. Please only print and sign the first page of this document.

- This form makes sure that the European Youth Parliament CZ has the rights to use the media content produced by you at this European Youth Parliament CZ session.
- After signing this form, you are still allowed to use pictures, texts, videos etc. that you produce for your own purposes. You are free to publish them on your social media pages, blogs, websites, and/or include them in your portfolios.
- You are not entitled to give the media products from an EYP session for the use of another organisation, whether for-profit or non-profit. You may be allowed to use the media content you produced for commercial products or any profit purpose, but only with prior written consent by the European Youth Parliament CZ.
- Authorship remains with the media team member and will be named at every use if the name of the author of the work is clearly passed on to the European Youth Parliament CZ.
- If you are an editor or editorial assistant: make sure to name pictures with dates and photographer names in full in order for the European Youth Parliament CZ to be able to name the photograph's author when republishing the pictures.
- Make sure to write into the metadata of pictures and videos the authors of the work. Make sure to clearly state authors of texts for later reference.
- All session participants are asked before attending to consent to being in pictures and other material that is produced by the media team. However, with the clause "the work does not defame any person" we draw your attention to good ethics and taste when it comes to publishing pictures or other material. Make sure that people always feel comfortable about the way they are presented in your work.
- Although not stated in this form, please always respect the EYP Communication Manual guidelines and make sure to study its content before attending the EYP session as a media team member.
